PRINCIPAL GEORGE A. MANNING and ASSISTANT PRINCIPAL EDWIN KNUTSON discuss a matter of extreme importance to the senior class. Through their administration of school affairs these men are well known to all M. H. S. students.

Throughout the day, MR. EDWARD J. HUTTENGHA can be found attending to his busy schedule as DIRECTOR OF VOCATIONAL EDUCATION. Being head of the Hackley Manual Training School involves a program consisting of all the various departments; for example, homemaking, printing, foundry or music. To successfully manage these activities requires tact and understanding, amply supplied by Mr. Huttenga.

Mrs. Theresa Casterline, Miss Caroline Toxapias, Mrs. Julia Ash, Office Clerks, always get the student's trouble. Tardiness, excuses, call slips: All the details of school life are their problems.

Graduating seniors will always remember with pleasure Mr. William Denton, Boys' Counsellor and Mrs. Alice Kyes, Girls' Counsellor. Scheduling classes, checking credits, selection of colleges: these are but a few of the many problems brought to them during a student's three years at Muskegon Senior High School.

Mrs. Kenneth Rolfe and Mrs. Lorraine Cooper finish checking absence records in their Hackley Manual Office.

Teaching English accounts for the formal pose of these instructors. However, they still make literature and grammar live for M. H. S. students.

Standing L. to R.—Mr. Clifford Hill, Mrs. Alice Scott, Mrs. Mabel Quail, Mrs. Thora Lundell, Mr. Ralph Plummer, and Mr. William Harrison.

Seated L. to R.—Mrs. Sarah Coutchie and Mrs. Marcella O'Connor.

Testing equipment for speech work seems an interesting project for Miss Patti Keefe, dramatics; Mrs. K. N. Franke, radio; and Miss Peggy Powers, forensics.

Comparing new texts for social studies is the objective of this conference.

Standing L. to R.—Mr. George Russcher, Mr. Russell Partington, Mr. George Carlsen, Miss Ethel Pihlstrom, and Mr. Paul Dunworth. Seated—Mr. William Young.

These instructors bring the customs, history and the languages of Latin, French, and Spanish to Senior High students.

L. to R.—Miss Edith Merritt, Mrs. Alice Kyes, and Miss Marian Helvie.

L. to R.—Fred Roys, Miss Constance Strouf, Francis Martin, Alex Posvistak, and William Stewart, Jr. look over new music for the instrumental department.

Science progresses under the able leadership of instructors Mr. William Toole, chemistry; Mr. Claire Cook, physics; Mr. Raymond Bauer, chemistry; (standing) and Miss Elizabeth Vandegrift, Mr. Winthrop Trautman, biology; seated.

Training nimble fingers and systematic minds are the jobs of these commercial instructors. L. to R. standing: Mrs. Goldie Mayrose, Mr. Harvey Paulson, Mr. A. J. Reed, Miss Cecelia Knoll, Miss Margaret Hitchcock, Mr. Anthony Gilsdorf. Seated: Mr. Russell Stevens.

Numbers and geometric figures make sense in the math classes of Mrs. Dorothy Andrews, Miss Mildred Werntz, and Mr. Kenneth Rolfe.

Emphasis is placed on physical fitness for the boys by (L. to R.) Mr. Tom McShannock, Mr. Harry Potter, (seated) Mr. Wilbur Kelly.

Manual Training School faculty plan for an expansion of their program.

Standing L. to R.—Mr. Leonard Lundell, related subjects; Mr. Rex Sheathelm, printing; Mr. Hohn, welding.

Seated L. to R.—Mr. Henry Bolt, cabinet making; Mr. Donald Moon-ey, shop; Mr. Oren W. Rodewald, electricity; Mr. Frederick Brail, auto mechanics; Mr. Sherwood Krause, shop math.

Miss Doris Radde and Miss Emily Herkimer study a costume designed by a member of the clothing class.

The preparations for the annual Christmas Tea are discussed by foods teachers, Miss Agnes McIntyre and Mrs. Marie Larson.

Personnel of the cooperative business training program read letters of commendation about students on the part-time training program.

L. to R.—Mr. George Saul, Mrs. Pauline Dunsmore, Mr. Derwin J. Walvoord, Miss Joy Anderson.

The direction of students in creative and functional art is supervised by Mr. Walter Ladd, Mr. E. G. Appel, and Miss Ann Molzen.

Festive decorations for the library will be the result of Miss Gwendolyn Webster and Mrs. Margaret Elliott's handiwork.

Miss Harriet Reid and Mrs. Adelaide Seastrom, physical education instructors, supervise M. H. S. girls in developing healthy bodies.

Aches and pains are soon gone after a visit to Mrs. Mildred Cowan, school nurse, who came to M. H. S. just last fall and has proven herself invaluable since her arrival.

Mrs. Virginia Cooper and Miss Ida McKinney discuss clothing projects for girls.

.....

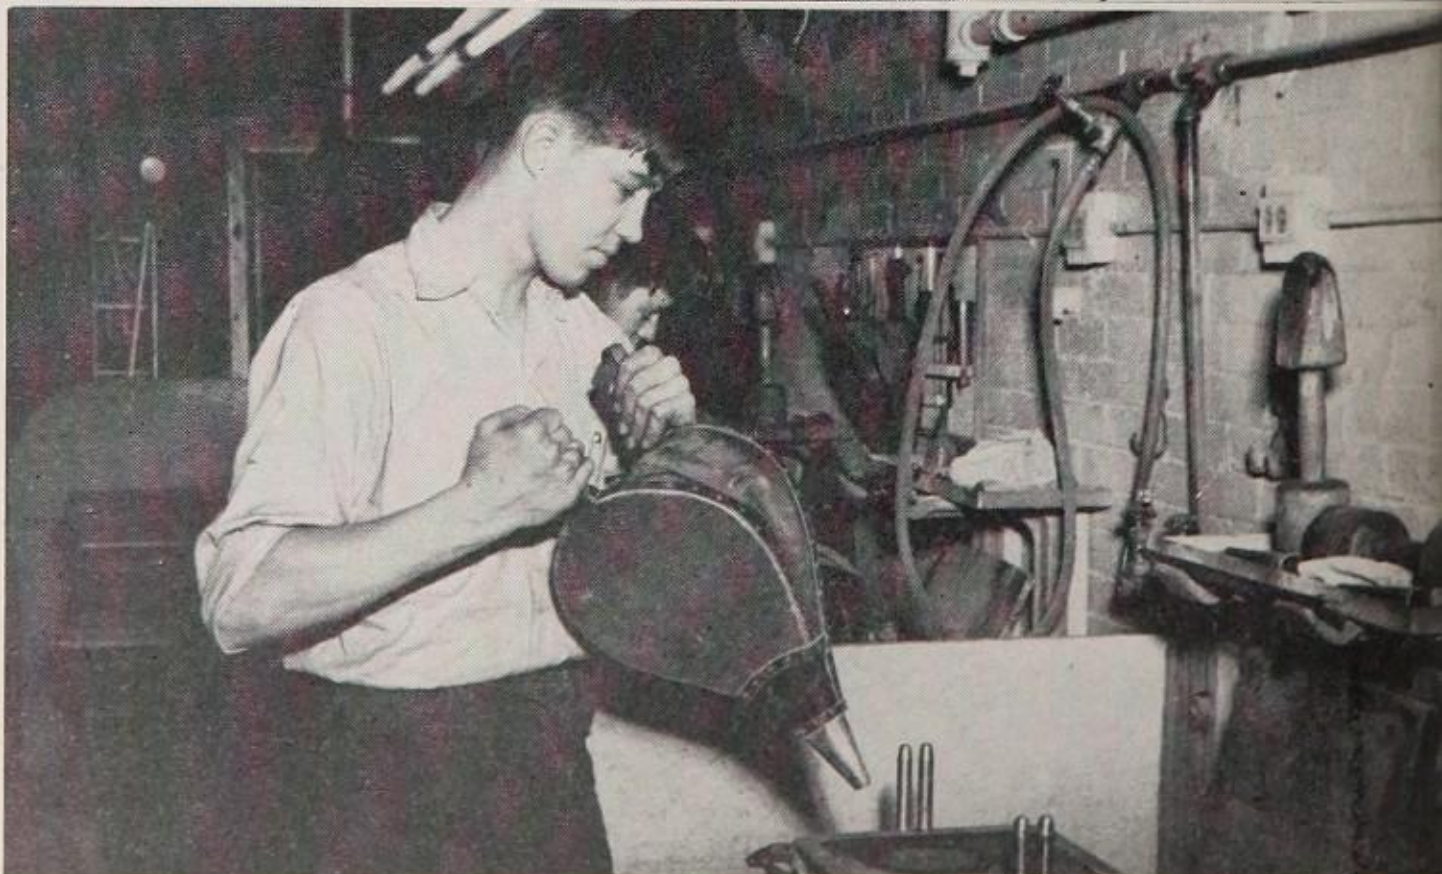

Sharon Day and Joyce Dykstra concentrate on laying out a pattern.

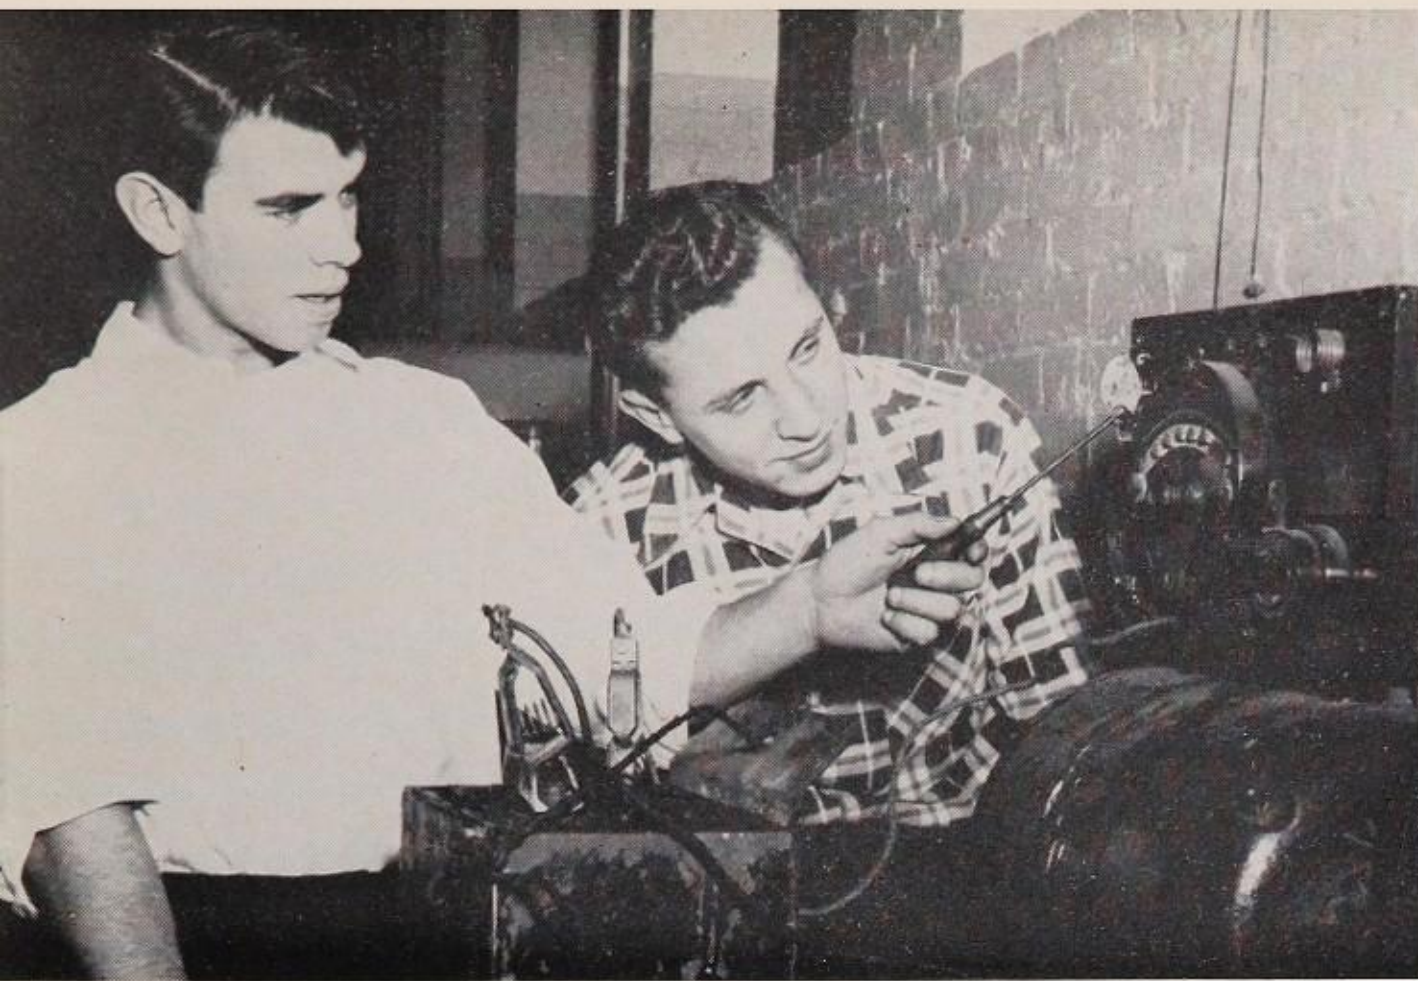

We don't know what they're making, but we bet it's good! L. to R.: Mary Bouwkamp, Beverly Stewart, Anna Hekkema.

Donald Pitch makes with the bellows in the foundry.

Shocking, isn't it? L. to R.: Louis Dumas, Pete Jablonski.

"Look, Ma, no fingers!" Bob Segelstrom concentrates on a wood-working project.

Exploring the unknown with "Muggs" Groszowski.

"Here's how it's done": Frank LaComte and Jim Brooks in machine shop class.

Bill Larson machining a project in plastics.

Dick Liddle makes a pattern for his project.

Proof reading copy are Larry White and Don Truman, while Bob Buit feeds the press.

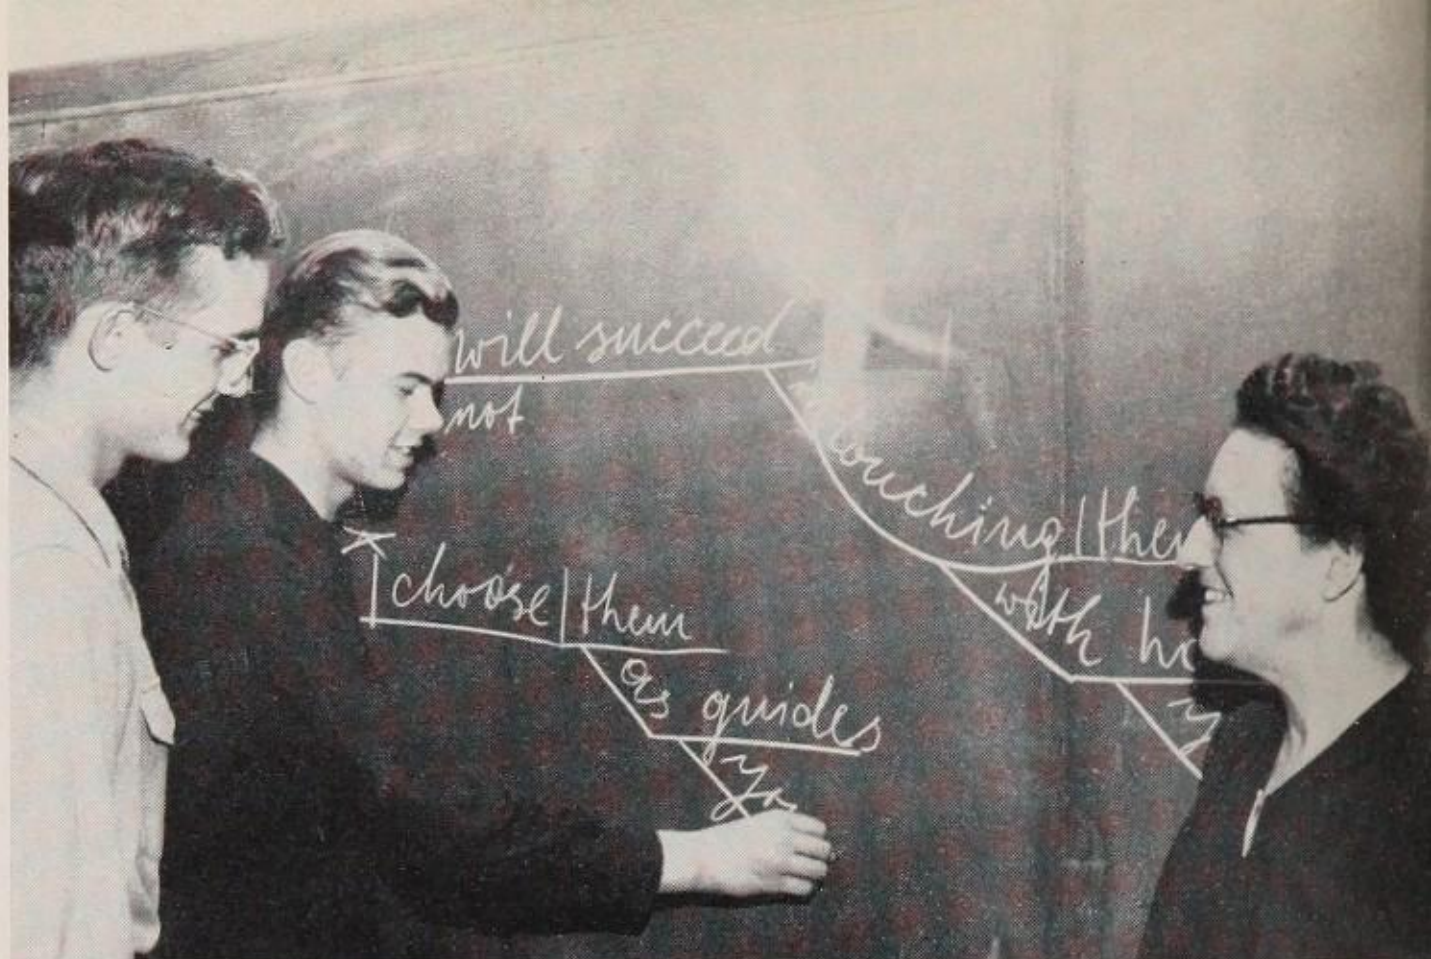

"Silence! Genius at work!" Wayne Bathrick puts finishing touches on a still life.

Don Rufener concentrates on his design in architectural drawing.

Hugh Farber, Norbert Woelfl, and Miss Ethel Raue seem to find diagraming fun.

Don Kroes and Bruce Weflin broadcast while Jack Grimm and Ted Vredevelde are in control room.

"That doesn't sound like me!" L. to R.: Jerome Stern, Nathan Vanderwerf, Sally Grimm, Louise Arsnoe.

Arithmetic made easy with adding machines.

Nimble wits make nimble fingers.

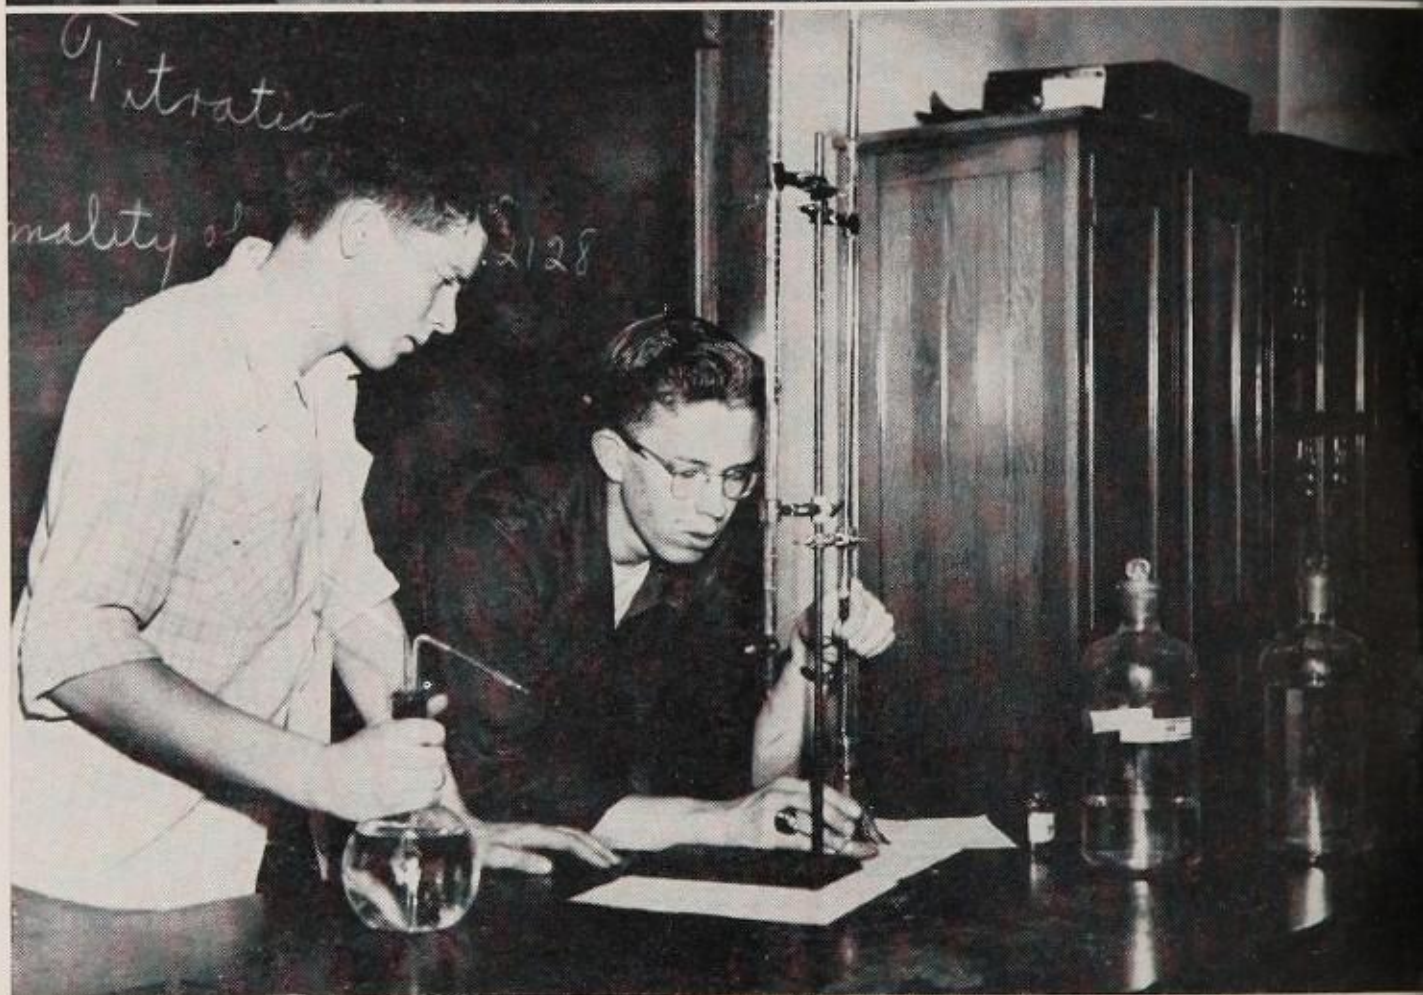

"Up you go boys:" Gym class.

"Boning up for a test, boys?"

Bob Gillies and Ken Sikkenga conduct an experiment in titration.

Latin students use the democratic procedure in class.

Learning history the modern way through films.

Tom Byrnes, Tom Wiard, and Marcus Okkonen gain practical experience in trigonometry field work.

Loretta Taylor and James Reinoldt contemplate signing for the course.

## *National Honor Society Inducts Thirteen*

One of the more recent organizations which is becoming a fine tradition at M. H. S. is the National Honor Society organized in 1948. Students who have displayed high standards of scholarship, character, and citizenship are inducted into this society. The M. Berry Wood Chapter was named in memory of Miss Berry Wood, a former Latin and history teacher. At present there are 28 members.

MID-YEAR INITIATES GET INSTRUCTIONS.

Boys from Winesap School, Tennessee, play ball with equipment provided by M.H.S. students through the Student Council.

## Student Council Has Big Year

An organization that helps to perpetuate and promote traditions in our school is the Student Council. It was organized in 1914 under the leadership of John B. Cleveland, and reorganized in 1921. Since then it has been an active force in guiding our school.

The council's constitution states the aim and purpose of the group as follows: "To promote a finer high school spirit."

Activities and projects undertaken the past year include: being hosts to the Southwest Conference of Student Councils; arranging for exchange as-

semblies; forming a service committee to supervise the noon hour recreational activities; arranging inter-school council meetings and exchange of students in the Greater Muskegon area; developing a questionnaire for the driving course that was inaugurated in September; and promoting a school booster club.

Some activities initiated by the council in the past for the betterment of Muskegon High School have included a standard insignia for the ring; student activity books; a student court and police; and a plan for landscaping the campus.

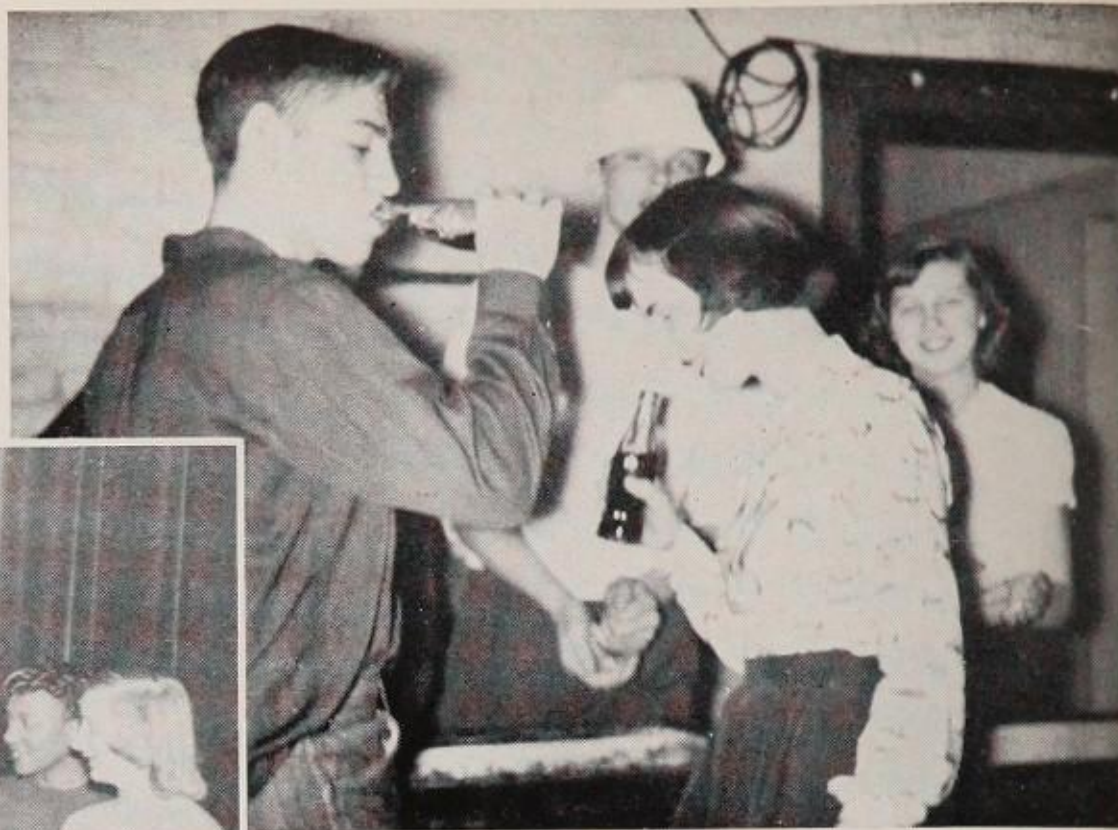

Seated—L. to R.: Paul Ladas, Ed Hine, vice-president; Art Summerville, president; Kay Ryan, secretary; Ann Harrington, Bill Booth.

Standing—L. to R.: Mary Wickland, Earl Morrall, John Schrier, Phil Poort, Helen Carlson, Jim Buck, Dick Swanson, Jack Grimm, Joan Randall, Mr. Kenneth Rolfe, adviser, and Leila Poppen.

Ed Morrall, Delores Workman, John Reiben, and Phyllis Anderson take time out at the "Shoeless Shuffle."

L. to R.: Nancy Gilroy, Sandra Nelson, Peggy Nelson, Dick Swanson, Bonnie Hohenstein, Dorothy Bates, and Shirley Sikkenga were winners in local forensic contests.

## *Speech Guild Expands Its Functions*

The Speech Guild is one of the youngest organizations existing in Muskegon Senior High School. It was organized in 1947 by Mr. Charles Robert Patchen, faculty advisor at that time.

The purpose of the organization has always been to develop and promote speaking skill among the students of our school.

During the past year, Speech Guild members have taken part in the Community Fund Campaign, the T.B. Speaking Contest, non-league debates, and the spring forensic contests. They have planned and conducted many of the school assemblies which have been presented. Various individual members have presented speeches, readings, and interpretative selections before local organizations. The Thanksgiving dance, "Turkey in the Straw," proved to be one of the outstanding social events of the year, and was followed by other all-school activities which the Speech Guild sponsored.

Jack Grimm, Dick Duncan, Neola Anderson, Georgia Caris, and Leila Poppen in the ballroom scene of "Berkeley Square."

## *"Berkeley Square" Is Major Masque Production*

The Masque Dramatics Society has always maintained a program rich in tradition. Each year the three-act play is presented by Masque's fifty aspiring actors and actresses. This year the play enacted was a fantasy entitled, "Berkeley Square," under the direction of Miss Patti Keefe, club advisor. In 1947 Thespian Troupe 107 was established, thus enabling Masque members to receive national recognition of their high achievements in the dramatic field.

Three one-act plays are given annually in the spring of the year. A play festival bringing plays from the various schools in this area has been promoted since 1948.

## *Carmenta Emphasizes Literary Interests*

Old members are served at the fall tea by Ann Harrington.

L. to R.: Joan Randall, Bonnie Hohenstein, Marilyn Plant, Mary Olson, Georgia Caris, and Cleo Ballas.

In 1924, a group of Muskegon Senior High students expressed a desire to study creative writing. As a result of this interest, the Carmenta Literary Society was formed with Miss Ebba Bedker as their chosen advisor. The club was first composed of boys and girls, but eventually the club was limited to a membership of forty girls.

Since the club's formation many changes have been made. Meetings are now spent discussing ancient and modern prose and poetry. The club also devotes time outside of club meetings to projects of a literary nature. Therefore, Carmenta's creed of today is to further establish literary knowledge and interests.

Through the school year, several annual social events are given. The fall football dances, the initiation teas, the Christmas tea for mothers and alumni, the annual "Cotton Ball": these things will always be remembered by its members. By these projects, Carmenta Literary Society offers a splendid program of varied social and academic activities.

## Senate Sponsors Talent Assembly

Since its establishment in 1918, the Senate Fine Arts Society has annually carried out a program full of varied social and cultural activities. The club's constitution calls for a minimum of two cultural meetings each semester. These meetings may consist of perhaps a group attendance at a lecture, visits to the Hackley Art Gallery, or the study of a musician and his works. Each year the club undertakes two projects that will be of benefit to the entire school. As a result of this work, the Senate Talent Assembly has become an annual event.

Scattered throughout Senate's program can be found many dates for annual social activities, such as the initiation programs for new members, the Senate-Carmenta dinner, the "Senator's Swirl," annual club parties. These are but a few of the many activities in Senate's enjoyable and interesting yearly plans; and following the American Congress' example, Senate's "Senators" have numerous outside activities, also.

Senate girls enjoy a back-scene snack.

## *Hi-Y Shows Community Spirit*

The local Hi-Y group was organized in 1916 with the purpose of promoting high standards of Christian living in the community and school. Their platform is clean sports, clean speech, clean scholarship, and clean living.

Traditionally, it has been a service club. This year the boys sent a radio and gave money to Winesap School, helped a needy local family at Christmas, sent CARE packages overseas, sent a needy boy to the YMCA camp, and contributed money to the Community Chest and other organizations.

To raise their money the thirty boys manage the concession stands at the football games, give a dance, and sell doughnuts.

Busy decorating for the "Shamrock Shuffle."

## Y-Teens Broaden Horizons

During Roll Call Week in October, the formal initiation of Y-Teens was held and candy was sent overseas. In November the Y-Teens dressed dolls for the Goodfellows and collected food and money for Thanksgiving baskets. Caroling and making favors for the hospitals for Christmas were the chief occupations in December. They also sent ten dollars to the Winesap School.

At the first of the year the Y-Teens collected clothing for the needy families of Muskegon. In March they held a doughnut sale and also sponsored a dance to raise money for their projects. So as it can be seen the Y-Teens, too, have had a very busy year.

On ladder are Barbara Brace and Marilyn Hain, standing is Janice Scribner and seated is Mary Lou Medendorp decorating for Clancy's Capers.

## A CAPPELLA I

## *Vocal Groups Preserve Musical Traditions*

Traditionally the A Cappella choir has given its harmony to add to the rich cultural background of our school. Each year the group is busy during the Christmas season with a round of concerts presented for the various local service clubs and organizations, besides the traditional Thanksgiving and Christmas program at school.

In the spring they participate in the district music festivals and present their annual concert.

This year Mr. John Wheeler has directed the choir in the absence of Lt. John W. DeHorn.

The MHS band and orchestra are two of the busiest departments in the school.

The band, beginning rehearsals in the fall before school started, played for many local, out-of-town, and even one out-of-state football game. Their biggest opportunity came, however, when they were chosen as one of the four high school bands in the United States, to play for a thousand nationally known band directors and composers at Chicago, December 15.

The band obtained a first division at the District Band

and Orchestra Contest at Grand Rapids, March 17, and also in the State contest, April 21.

The orchestra, too, has been kept on their toes. They have played numerous concerts for the various service clubs throughout Muskegon, and played their annual spring concert late in May. They also made a first division in the District contest, and in the state competition. The orchestra in a joint assembly with the band, played an hour concert for the students of MHS.

Both of these splendid organizations are under the direction of William L. Stewart.

Members of the Booster Club show enthusiasm

### *Booster Club Is New*

One of the newest groups to organize this past year is the Booster Club, under the sponsorship of Miss Peggy Powers. Their purpose is to stimulate school spirit for the various activities. They were present at the basketball games and other athletic events to spark the cheering section. The more than seventy-five members hope that eventually all the students of M.H.S. will become members.

Seated: Marilyn Zelinski, vice-president; Bessie Crichfield, treasurer; Sandra Nelson, president; Pam Hollar, secretary; Nerita Howard, historian.

### *Library Girls Give Service*

Organized in 1931 and reorganized in 1950, the Library Club is promoting an interest in reading, books, and library techniques. The girls get actual practice by working in the library. They take care of the library exhibits and keep the bulletin boards filled with interesting displays of books relative to various seasons and interests. Their biggest project for the year has been the purchase of transparent covers for the new books.

## *F. T. A. Practice Teaching*

The John A. Craig Future Teachers of America Club was chartered May 1, 1950.

The purposes of the Future Teachers Club are: to encourage young men and women to cultivate in themselves the qualities of personality and character necessary for successful teaching; and to provide these young people with specific information about opportunities in the various fields of education.

## *F. H. A. Has Active Year*

To prepare girls to take their place in the community and home is the aim of the Future Homemakers of America, organized here in 1949. Every girl must have one semester of homemaking to qualify for the club.

Activities for the first semester included attending the state convention, an International dinner with an exchange of Christmas gifts and Christmas caroling. Their sponsor is Mrs. Stuart Cooper.

Standing—L. to R.: Norma Ortquist, Sally Grimm, Marlene Wickerink, Laura Putnam, Donna Verholst, Marijo Leyanna, Charlene Squiers, Mary Ann Kulicamp, Jackie Ortquist, Marva Iverson.

Seated—L. to R.: Pat McCormick, Marva Spyke, Maxine Kulicamp, president; Virginia Buckner, Alma Hinschel, Pat Schonover.

Guiding Pro Musica activities are Ann Harrington, president; Helen Nelson, treasurer; Gilbert Rodgers, vice-president; Betty Beebe, secretary; Barbara Fleischmann, historian.

## *Pro-Musica Stresses Friendly Relations*

This organization is not a club in the literal sense of the word, but represents the social side of band and orchestra activities.

Its aims are two-fold: first, to promote good rela-

tions between the students and faculty of the instrumental music department; and second, to have a social gathering once a month so the members of the band and orchestra can get to know each other socially as well as musically.

## Shutterbugs Salon Wins Praise

The fine exhibit of photographs in the main hall this year was the work of the Shutterbugs. The thirty members meet for the purpose of fostering an interest in photography, exchanging ideas, and helping to improve the photographic work of their co-members.

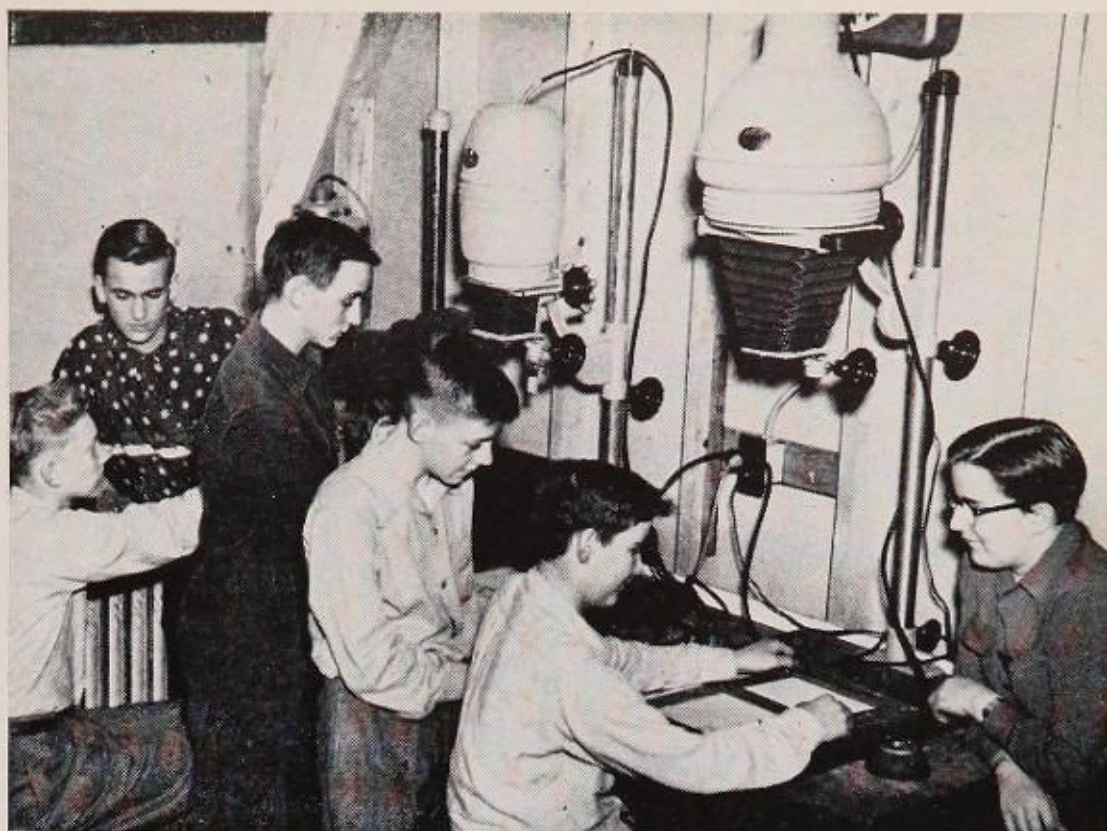

The club provides the students with a useful as well as an interesting extra-curricular activity that keeps a permanent record of school and student functions.

## *Les Amis de la France Aids Needy Groups*

Les Amis de la France, or Friends of the French, traces its origin to 1920. At that time its purpose was to give students a chance to study the language and become familiar with the customs of the French people. The club, under the advisorship of Mrs. Alice Kyes, has accomplished many things in the past year.

They have sent money to the Winesap School, sent CARE packages to Mr. Rene Robert, an exchange French teacher, and to a needy family in France. They sponsored an after-game dance early last fall. The first semester was completed with a gala Christmas party.

# El Circulo Espanol Presents Fiesta

El Circulo Espanol carries out a varied program throughout the school year. The main purpose of the club is to help familiarize the members with the customs, literature, and arts of the Spanish and Spanish-Americans. This naturally helps to increase the amity between their countries and ours.

The group commemorates Pan-American Day with an appropriate program. The Fiesta was the highlight of 1951. Last Christmas the Spanish Club and the French Club entertained each other with skits in their respective languages.

There has been a Spanish Club in existence here since World War I. The largest number of members at one time was eighty.

## *School Farm Is Conservation Club Project*

Roger Bennetts and Gordon Gibson plant pine seedlings on school farm.

The Muskegon Senior High School Conservation Club, in co-operation with the biology department, tries to promote interest in conservation among the student body of Muskegon High. It tries to make them realize the need for the prevention of forest fires, the need for hunting and fishing laws, and the need for the practice of soil conservation. Its objective is to have the students practice conservation by administering the school reforestation tract.

This project is one of the many important activities of the Conservation Club. Each spring and fall the members plant trees at the school farm. Annually, surplus trees are cut and sold as Christmas trees.

During National Wild Life Restoration Week, exhibits are displayed throughout the school. At the meetings various educational programs give conservation instruction.

# Press Club Sparks News Projects

Promoting journalism and social activity for journalism students are aims of the MHS Press Club, organized early in 1950.

The club entertained the **Acorn** staff of Muskegon

Heights High School at a Christmas party, had a breakfast before the journalism final exam, an annual picnic, a social meeting every other week, and sponsored an after-football-game dance. National Newspaper Week is publicized by the group.

# Keyhole Changes Size and Format

The **Campus Keyhole** has undergone more changes during 1950-51 than at anytime since being changed from a mimeograph sheet to the printed page.

At the beginning of the second semester the **Keyhole** enlarged to a five-column page. Then it changed over from letterpress format to that of offset.

As a result, the paper became more alive with illustrations and type faces. Added to all this was the "Photo," a pictorial section, given with each paper.

This year ushered in a new advisor, Mr. William Harrison, and a new staff who have helped to make the **Keyhole** an integral activity of M.H.S.

## Muskegon Maintains a

This year as in previous years the Muskegon Senior High football team tackled one of the hardest schedules of any team in the state. It included Grand Rapids Catholic Central, 1949 state champions, and two strong out-of-state teams, Libbey High of Toledo, Ohio, and Harrison Technical High School of Chicago.

The first two games of the 1950 season seemed to be almost a replica of the 1949 season. In the first game, the Big Reds fell before a powerful Catholic Central team by the score of 25-19, but the Big Reds came back strong on the following Friday to down Flint Central 7-0, to even up their standings.

In the first game of the Southwest Conference, the Big Reds traveled to Grand Haven to meet the Buccaneers. The Big Reds outplayed the Buccaneers and went on to defeat them 35-0. Morrall, Scarff, and Bosma were the sparkling trio.

The Benton Harbor Tigers, a very worthy opponent, were next to invade the teepee of the Big Reds. At the end of the four quarters the score read Muskegon 6—Benton Harbor 6. The following week the Holland Dutchmen clomped into Hackley Stadium, but the Big Reds showed their strength and the final score read Muskegon 14—Holland 0.

Riding the crest of a three game winning streak the Big Reds traveled to Toledo, Ohio, to meet Libbey High. The band accompanied the team and the combination of the two must have had a psychological effect on Libbey, as the Big Reds came out on the long end of a 13-0 score. Muskegon out-ran and out-passed Libbey.

The next team bowled over by the rampaging Reds was Harrison Technical High School of Chicago. They went down to defeat 34-14.

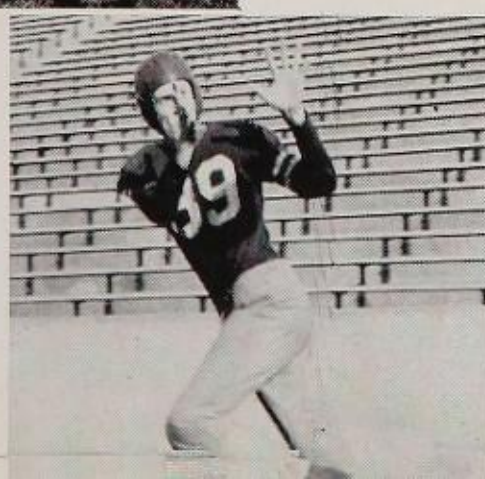

Kalamazoo Central was a strong contender, but the Big Reds again marched on to leave the field, victors by the score of 12-0.

On a very fateful November 11, with the field so completely covered with the snow that one found it hard to distinguish the yard markers, the high-spirited Muskegon Heights Tigers completely wrecked the Big Red tepee by the score of 13-6.

All in all the 1950 football season was fairly successful, for the Big Reds final standings read: won 6, lost 2, and tied 1.

# Muskegon High School Football

Athletic organizations at Muskegon Senior High School were established approximately between 1890 and 1900. The earliest record kept, to our knowledge, was in 1904, when the school monthly magazine **Said and Done** printed the results of that year's football games.

The organization of athletics at Muskegon was brought about when a group of students hit upon the idea of forming a football team in the high school. At this time there was no fund to provide the necessary expenses for the game, so the students gathered sufficient funds to send away for a football and a copy of the rules. This was the beginning of Muskegon's first football team.

In order for the boys to look like a team, uniforms were sought. The inability to gather the necessary money for uniforms resulted in each player furnishing his own. The consequence was that the eleven boys ran onto the football field not with the customary red and white colors of Muskegon, but rather a variety of colors and ideas for protection from the rigors of the game.

No sooner was the team organized, than it received challenges from Grand Rapids, Ann Arbor, Big Rapids,

Ionia, Grand Haven, and Ferris Business College. With the arrival of these requests for competition, it became necessary to form a governing body, so under the direction of Mr. Edward Taylor, a teacher, the present Athletic Association was formed. With the establishment of this organization, it became their task to select Muskegon's first opponent.

On November 2, 1895, Muskegon Senior High School played their first football game against Ferris Business College. It cannot be said that Muskegon made a glorious debut by overpowering their opponents, but rather they fell to defeat before the Ferris eleven 12-8.

Muskegon played their first out-of-town contest at Grand Haven November 25, 1895, and gained the first of a long series of football victories by virtue of an 8 to 6 score.

A great deal of the success of Muskegon's teams lies in the fact that they have always been under very capable coaches. Harry E. Potter took over as head coach when C. Leo Redmond retired after 22 successful years.

## *Little Reds Win Reserve Championship*

Winners in six of eight games, the Little Reds of M. H. S. again annexed the Southwest Conference reserve championship. The only blots on the Little Red's record was a 7-0 loss at the hands of a powerful Grand Rapids Catholic Central team, and a 6-6 tie with Kalamazoo Central. The offensive and defensive records show these amazing facts: the Little Reds scored a total of 172 points to their opponents' 46. A large share of

these points were scored by Jim Kelly, Ray Eckert, Gerald Eaton, and Dick Baade. Much of the Little Reds' success must be given to the line, for this line held its opponents to an almost unbelievable 46 points in eight games. The mainstays of this line were Floyd Clanton, Tom Collins, and Captain Bob Soderman. The victorious Little Reds were mentored by Coach Nestor ably assisted by Post and Carlson.

# Muskegon Cagers Rate Second In S. W. Conference

The year 1950-1951 proved a very successful season for the cagers of Muskegon Senior High. Under the leadership of Coach Tom McShannock the Big Reds hung up a most impressive eleven won, three lost record. In conference standing, the Muskies finished second, losing only two games.

The first defeat came at the hands of the Holland Dutchmen by the score of 52-50. The other loss was inflicted by Kalamazoo, Southwest Conference champions and State champions. The final score of the game was 41-34.

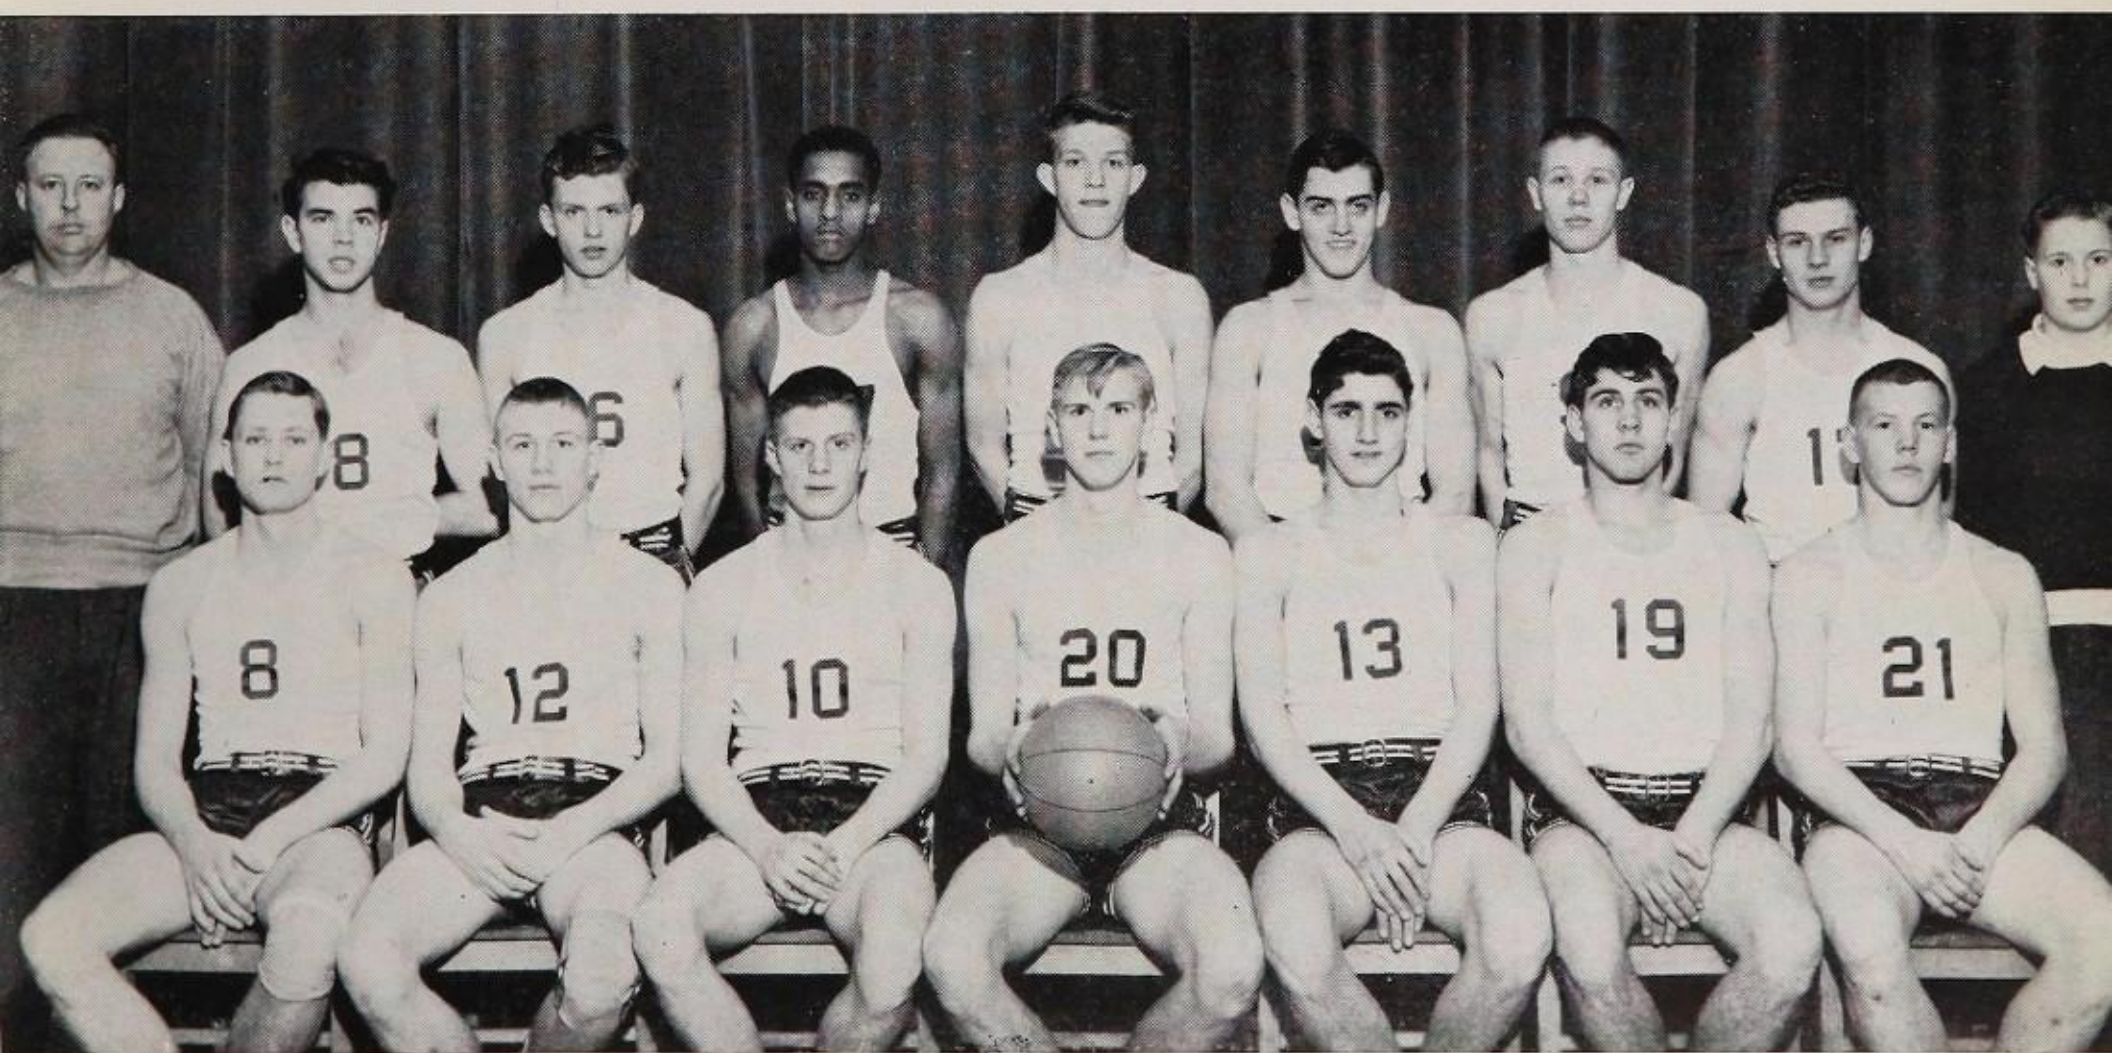

In return bouts with these teams the Muskies bested the Dutchmen 62-33 and then beat the Kalamazoo Giants 57-56. They were the only team in the state to accomplish this feat.

The Big Reds scored double victories over the Benton Harbor Tigers, the Grand Haven Buccaneers and two very important victories over our arch rivals, the Muskegon Heights Tigers.

The Muskies also scored single victories over Grand Rapids South, Battle Creek, and Flint Northern.

Muskegon's third loss of the year was administered by Lansing Sexton, 5A champions. When the final horn sounded, the score read Lansing 37, Muskegon 29.

In the first round of the regional tournament, the Muskies drew Holland with whom they had split during regular season play. This time, however, the Dutchmen proved the better team and when the game ended, the score showed Muskegon on the short end of a 47 to 38 score.

Row II—L. to R.: Jerome Sterns (Mgr.), Jim Kelly, Ron Perry, Bob Wells, John Fultz, Norman Hine, Bob Harp, Jerry Porter, Coach Kelly.

The Little Reds under the direction of Coach Wilbur Kelly annexed their fourth straight reserve championship. The Little Muskies ended the season with a thirteen won and one lost record. The only loss was at the hands of the Holland Dutchmen who bested them 40 to 39.

The Little Reds averaged nearly 46 points a game while holding their opposition to a mere 30 points. The team also made nearly fifty per cent of the free-throws they attempted. Leading scorers for the Muskies were Norman Rathbun, Leland David, Fred Heuser, and Harry Voss who was moved up to the Big Reds at mid-semester.

Coach Kelly in summing up the past season was inclined to say that this year's squad was the best all around team he has ever coached.

## Baseball Slow to Start: Weather Bad

The Muskegon Big Reds baseball team, under the expert leadership of Coach Harry Potter, will be attempting to better last year's record of nine wins and two losses. The Muskies placed second last year, losing out to Kalamazoo in one of the last games of the year.

Muskegon's hopes will rest mainly with five returning lettermen. Two of the five are outfielders Bob Hill and Bob Fairfield. Also returning is the keystone combination of Earl Morrall and Jerry Stephens.

The brunt of the pitching chores will be carried by Kurt Knutson, one of the leading pitchers on last year's squad.

Due to the bad weather conditions, which have plagued the team in early season drills, the Big Reds may be somewhat slow in starting; but we are sure that the squad, under the guidance of Coach Potter, will continue to be a prime threat in the Southwest Conference race.

# M. H. S. Coaching Staff

## Ranks High

Muskegon Senior High School has long been famous for its outstanding athletic teams, however, most of the credit for these fine teams should go to our coaches. Muskegon is privileged in having an outstanding coaching staff.

Head Coach Harry E. Potter needs no introduction to the students of MHS. Mr. Potter has been head coach for the past four years. Prior to this he served as assistant to former Head Coach C. Leo Redmond. He works principally with the backfield of the football squad, and he also is coach of the baseball team. Coach Potter is a graduate of Western Michigan College. Before coming to Muskegon he served as coach at Crystal Falls, Michigan.

Tom McShannock has been a coach since 1947. His story is that of a home town boy who made good. He graduated from MHS in 1937, after making an outstanding record in athletics. Mr. McShannock is head coach of both the basketball team and the track squad and assists Coach Potter with the football team.

The new assistant coach is Wilbur Kelly, former coach of the Little Reds football team. Coach Kelly works principally with the line on the football squad, and is coach of the Little Reds basketball squad. Formerly he worked with the golf team, also. He is a graduate of Western Michigan College.

The coach of the new tennis team is Bill Bos, a graduate of Muskegon Senior High where he was an outstanding basketball player. After graduation Coach Bos attended Kalamazoo College where he made an outstanding athletic record.

It is because these men spend so much time in drilling and practicing their teams, that Muskegon is always able to field outstanding teams in any sport they enter. These men well deserve any credit given them.

Mr. Potter is happy over a good practice game.

## *Track Prospect Is Dim; Few Lettermen Return*

The Big Reds 1951 track team will be trying hard to better last year's fourth place conference standing. The Muskies look exceptionally strong in the half-mile with veterans John Lundeen and Ed Hine returning. The possibilities in the mile also look strong with Wayne Bathrick and Bob Smith returning lettermen. "Red" Scarff will no doubt carry the brunt of Muskegon's chances running both the high and low hurdles. Here the Muskies chances seem to end as the Big Reds have

no high jumpers, broad jumpers, or pole vaulters returning. The Muskies also suffered the loss of all of last year's weight men with the exception of Ken Schalk. So, in summing up Muskegon's chances, one might say that the outlook is rather dark. However, there remains the chance of new track men with good possibilities appearing on the horizon. This seems to be Coach McShannock's greatest hope.

# *Scarff, Beaucamp, Byrnes Are Star Athletes*

Three boys in the June graduating class will long be remembered at MHS for the athletic ability they have displayed. They are the only boys in the class who have competed in three major sports.

Harold "Red" Scarff will be remembered for his football, basketball, and track ability. "Red" was the standout performer on Coach Tom McShannock's track team, competing in both low and high hurdles, the 100 yard dash, and the broad jump. He was also anchor man on the 880 relay team. While not busy on the athletic fields, "Red" served as sergeant-at-arms of the senior class and treasurer of the Hi-Y club, thus demonstrating that his ability is not limited to athletics.

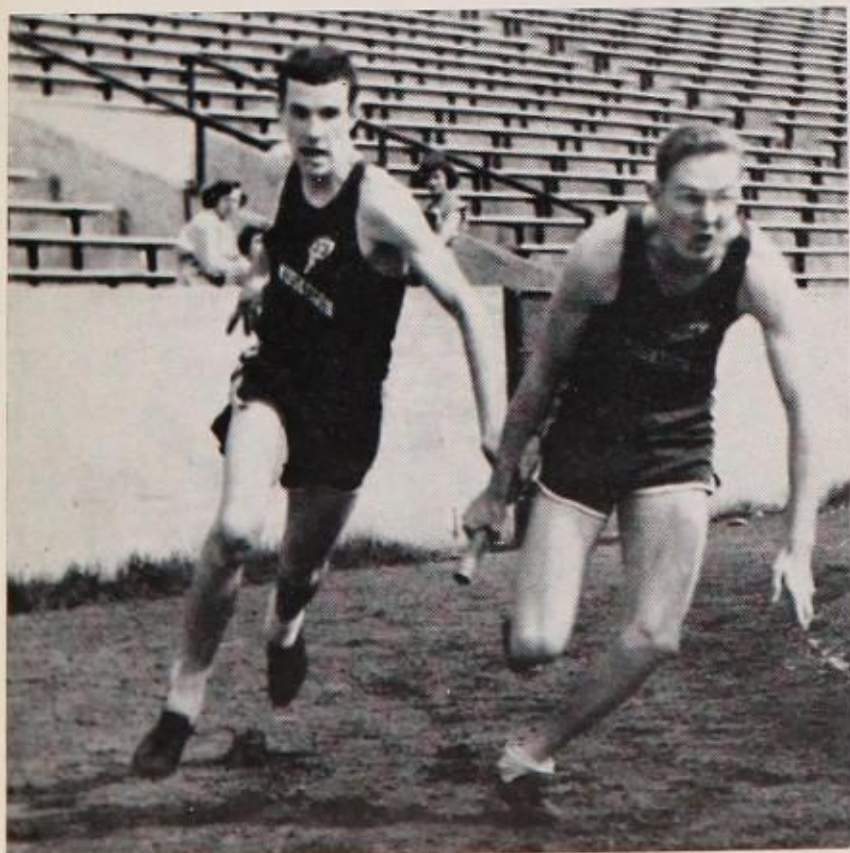

Another outstanding player on Big Red teams was Harvey "Bud" Beaucamp. Although he was injured early

in the football season last fall, "Bud" recovered in time to make a good showing as center on the basketball team. "Bud" was also pitcher on this year's standout baseball team.

The final salute is to Tom Byrnes. Tom's stellar performance as a guard on Coach Harry Potter's football squad won him state-wide acclaim and a berth on several all-state teams. He was also a member of the basketball and the baseball squads on which he held a regular outfield position.

It is impossible to make individual mention of all the boys who participated in athletics at MHS during the past year; however, Said and Done would like to congratulate them and wish them continued success.

On the last lap—Al Bush and Jim Morse.

## *Golf Suits MHS to a Tee*

Last year Muskegon's golf team had just a mediocre season. The Big Reds ended the season with a three-won four-lost record which was good for a fourth place conference standing. At the regional golf tournament held in Grand Rapids the Muskies finished in fifth place.

Leading the team last season were four juniors, Dave Cook, Ron Bostrom, "Gene" Hathaway and Chuck Ashley. These four boys were constantly pressed by two adequate replacements, Rich Miller and Bob McNiff, a promising sophomore. All six boys received varsity letters.

Coach Ray Schrub's high hopes for this year were somewhat shattered by the loss of Bob McNiff, who is attending school in Florida and Chuck Ashley who is swinging for Uncle Sam. However, Coach Ray Schrub and his veteran quartet of Big Reds still think this is the year to triumph, and will be doing their best as they circle the links for Muskegon in 1951.

*Ready, let's go . . . . .*

L. to R.: Betty Johnson, Maxine Janusiewicz, Anita Caris, Shirley Sikkenga, Doris McNitt, Nancy Berglund, Jack Lewis, El-louise Krupp.

L. to R.: Pat Weirengo, Sally Grimm, Midge Westerlund, Pat Sikkenga, Jackie Brown, Jane Dempsey, Beverly Holcomb.

Row 1—L. to R.: Judy St. Amand, Carol Stewart, Betty Bowen.  
 Row 2—Doris Ahrens, Shiela Sedgely, Louise Anderson, Norma Thompson.  
 Row 3—Edythe Grotenhuis, Joyce Hazekamp, Marjorie Luttrell, Connie Vrooman.

## *Carol Stewart's Team Wins Speedball Tourney*

Speedball is a combination of football, basketball, and soccer which requires a great deal of ability and agility on the part of each player. It is an exciting game comparable to football since there are eleven players on a team. The game develops speed, quick

thinking, and team work.

Forty-four girls participated in this sport. They were divided into four teams captained by Carol Stewart, June Lennox, Virginia Mavis, Phyllis Liddle. Carol Stewart and her team were champions.

## *Life Saving Is Major Project In Swimming*

Senior life saving was the aquatic activity of the year. Eighteen girls were awarded certificate cards and badges by the instructor, Mrs. Seastrom.

This summer, several girls are hoping to use their experience in life saving as instructors or guards at the various camps around Muskegon.

Row 1—L. to R.: Inman, Mavis, Parkhill, Westerlund, Adams, Aurich, Arnson, Grotenhuis, Frauenthal.  
Row 2—L. to R.: Mrs. Seastrom, Ryan, Hazekamp, Scribner, Willingham, Randall, Thompson, Berglund.

Row 1—L. to R.: Mary Bernadini, Joyce Hazekamp, Marjorie Luttrell.  
 Row 2—Nancy Fagan, Leila Poppen, Mary Alice Sironen.  
 Row 3—Shirley Rosema, Louise Anderson, Mary Louise Johnson.

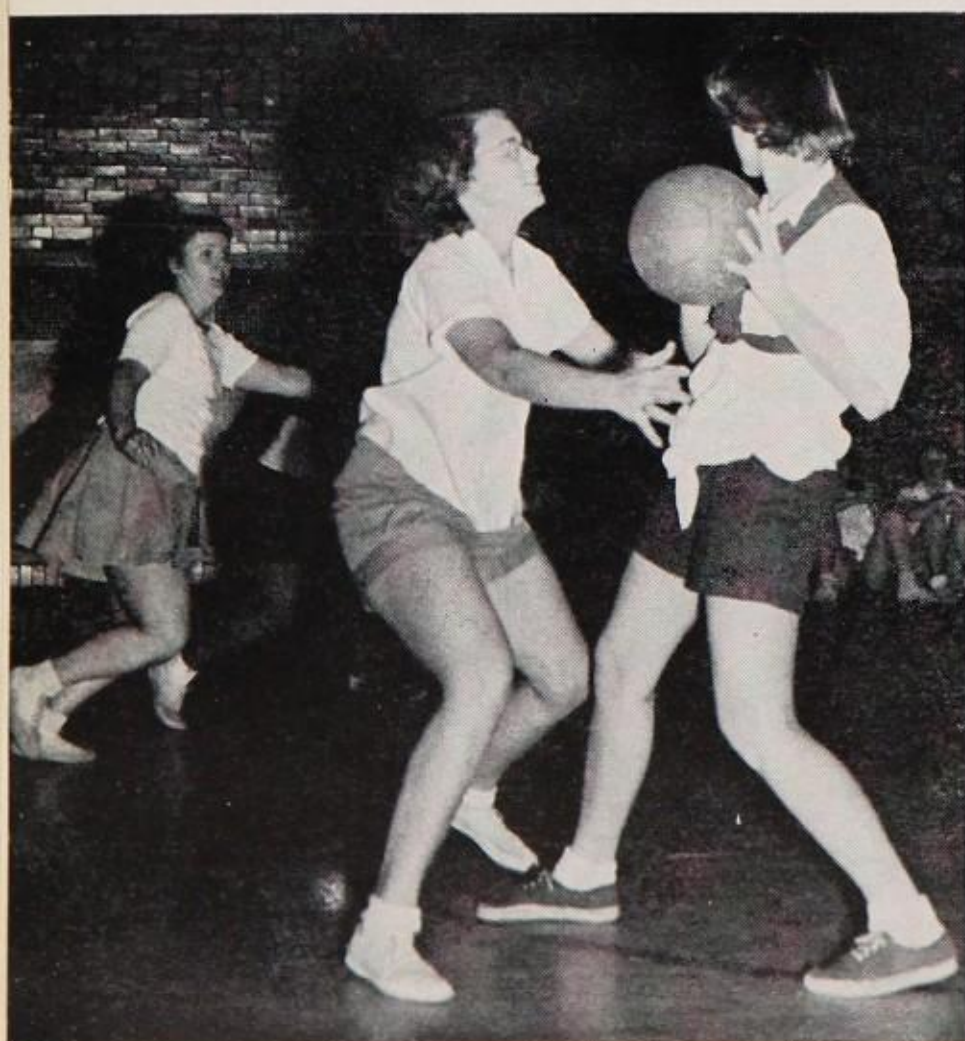

## *Four Teams Vie For Top In Basketball*

October 31 started a thrilling basketball season for the one hundred and twenty-eight girls who took part in the sport. Out of the twelve teams that were formed, four fought most of the season for the first division.

The Rederettes, captained by Joyce Hazekamp, took first place. Two teams tied for second, Mary Wickland's Little Lampwicks and Janet Hamel's Dribblers. The Rocket 10 headed by Phyllis Liddle ended in third place.

A Christmas banquet at which GAA awards were given, was held December 12 to close the season.

Carol Ann Rolfe and Mary Lee Eldridge.

L. to R.: Judy Simms, Mary Ryan, Phyllis Anderson, Peggy Knapp.

## Girl Keglers Share Honors

The local bowling tournament ended in a co-championship. Nancy Klang's Strikerettes tied with Ruth Shepard's Ten Pins.

Ruth Shepard was the season's top individual bowler with 425; Pat Lancaster was second with 418; and high individual game winner was Joyce Hazekamp with 159.

In the National Telegraphic tournament held March 31, Joyce Hazekamp's team took first place. Betty Bowen, Nancilu Inman, Joanne Stratil, and Marjorie Luttrell helped Joyce roll for the 2247 pins.

Awards were presented at the annual bowling banquet.

Back row—L. to R.: Nancy Klang, Janice Hazekamp, Beverly Nichols, Ruth Shepard.

Front row—L. to R.: Pat Robinson, Nancy Fagan, Ella Marie Willingham.

Keeping score are Nancielu Inman and Marjorie Luttrell.

It's a strike for Betty Bayne.

# *Hazekamp's Team Makes Clean Sweep*

Joyce Hazekamp's team bounded through the tournament as champs, not losing a single game to any of the other eleven teams.

Timing, quick thinking, and good team work, essential to make headway in volleyball, were displayed by Hazekamp's team.

This series of three pictures shows the typical action of a volleyball game.

# Baseball Is Popular With Girls

Girls as well as boys are affected with baseball "spring fever". Baseball has a great turn out. It is second only to basketball in popularity. Over a hundred girls participated in the sport with each team having at least twelve players.

The girls are just out there playing to have a lot of fun.

## *G. A. A. Has Active Season In*

Between the years of 1903 and 1905, the Girls' Athletic Association of Muskegon Senior High was formed. Since then it has been a growing organization with more girls joining every year. The aim of the GAA is to get all types of girls interested in sports. In this way they will meet other girls in their own school.

For every sport imaginable the GAA forms a league with often more than a hundred and fifty participating. In the fall, soccer, hockey, or speedball is offered. Basketball follows, then volleyball, and in the spring baseball is the number one activity. Intermixed with these activities is bowling, swimming and tennis. You may be sure

## *Varied Sports: Many Get Honors*

that when a group of girls come to Miss Reid, GAA advisor, with a desire for a certain sport, their needs are quickly answered.

GAA operates on a point system with awards given following the accumulation of these points. A "GAA"

may be won only in the 10th grade for having participated in three sports throughout the year. An "M" is given with 750 points, and the highly coveted "M-pin" with 1500. Following each activity a banquet is held, and each year the GAA gives its annual dance.

The girls heap their plates at one of the many G.A.A. banquets.

Miss Ebba Bedker

Miss Ethel Raue

Last year Muskegon Senior High students were introduced to the need of helping students in localities suffering from poverty by joining the Save The Children Federation. This federation provides assistance for any unequipped school desiring aid. Under this plan MHS adopted Winesap School in Tennessee.

Miss Ebba Bedker was named sponsor and with the help of the Student Council began sending books, magazines, art supplies, and a teacher's desk. Last summer Miss Bedker and Miss Ethel Raue visited the school and found a broken-down school house very much in need of paint. The children were, for the most part, underfed.

MHS students responded generously. With their contributions food, dishes, sporting goods, books, and many other things were bought and sent to Winesap.

The various organizations of MHS sent more books, a radio, sports equipment, games, films, and Christmas gifts to them.

This project is a tribute to Miss Bedker for her wonderful supervision and to the students for their unselfishness. It would be fitting for a project of this nature to become a tradition at MHS.

*Graduates - - We are proud of You*

Like every good citizen, Sealed Power is proud of the fine young people graduating from our Greater Muskegon High Schools. You are the product of excellent teaching staffs and some of the best school facilities in the state of Michigan.

In our 40 years, as one of Greater Muskegon's largest employers, we have followed a policy of giving preference to local graduates whenever possible. Many of them have advanced through our organization to top positions. We shall continue to follow this policy to the best of our ability because we have faith in you and we have faith in our local school systems.
